

HIGH PERFORMANCE

Crypton introduced its durable Home Fabric line more than 25 years ago. The sustainably made textiles are stain-, odor- and moisture-resistant, and available in a wide range of textures and styles (left and far left) at Century Furniture and Kravet in the Washington Design Center. crypton.com

LOCAL TREASURE

Gutierrez Studios

Founded in 1991, Gutierrez Studios designs and manufactures wood-and-metal furniture and architectural elements in its 20,000-square-foot Baltimore workshop. Among its creations, from above, left: Frusta side tables, sold as a pair with opposing angular steel bases; a hot-rolled steel Red Star Stool; and a floating staircase of glass, steel and wood, custom-designed for a project by Purple Cherry Architects, Interior Concepts and Pyramid Builders. gutierrezstudios.com RIGHT: DAVID BURROUGHS
