

ROLE RESPONSIBILITIES

SERVICE TECHNICIAN:

Introduction:

Pyramid is an award-winning custom builder, specializing in high-end architecturally designed single-family residential construction. We have been in business for thirty-one years, and in that time have established a reputation as a premier builder in this segment.

We have an opening in the DC / VA / MD region for a SERVICE TECHNICIAN with experience in construction. We are seeking a knowledgeable team player who puts customer service first, works well with others, and respects our process to get the job done. This full-time position reports directly to the Service Manager.

Overview:

The SERVICE TECHNICIAN is responsible for carpentry, including interior trim, drywall, painting, and hardware and appliance repair. This role also requires basic repair skills including door replacements, installing cabinet hardware, and general maintenance. Meeting and exceeding company goals for quality execution, efficiency & productivity, as well as customer service, is something you strive for every day.

Responsibilities:

- Complete all work, carpentry and otherwise, as directed by the Service Manager.
- Complete work with the highest quality craftsmanship.
- Follow jobsite safety procedures and point out unsafe conditions.
- Must have reliable transportation.
- Ensure jobsite procedures for cleanliness, security & protection from damage.
- Communicate clearly & effectively with Service Manager
- Have experience and expertise in varied high-end residential construction work.

Requirements:

- Have a minimum of five years experience & expertise working on high-end residential construction.
- Successful candidate will have a focus on attention to detail

Compensation:

- Commensurate with experience
